

/media/erwan/T7/formation
/Video/LTM/util/include
/Buffer.hpp

```
graph TD; A["/media/erwan/T7/formation  
/Video/LTM/util/include  
/Buffer.hpp"] --> B[cstddef]; A --> C[cstdint]; A --> D[memory];
```

The diagram illustrates the inclusion of the `Buffer.hpp` header file. A central box at the top contains the file path `/media/erwan/T7/formation/Video/LTM/util/include/Buffer.hpp`. Three blue arrows point from this box to three separate boxes below it, labeled `cstddef`, `cstdint`, and `memory`, indicating that these source files include the `Buffer.hpp` header.

cstddef

cstdint

memory
