

/media/erwan/T7/formation
/Video/LTM/util/include
/Diagnostics.hpp

```
graph TD; A["/media/erwan/T7/formation  
/Video/LTM/util/include  
/Diagnostics.hpp"] --> B[cstdio]; A --> C[string]; A --> D[vector];
```

The diagram illustrates a file path at the top, which then branches into three arrows pointing to three separate boxes below. The boxes are labeled 'cstdio', 'string', and 'vector', representing standard C++ library components.

cstdio

string

vector
