

Context::decode

```
graph LR; A[Context::decode] --> B[evc_decode_mem]; B --> C[imgb_alloc];
```

A flow diagram with three rectangular boxes arranged horizontally. The first box on the left is shaded gray and contains the text 'Context::decode'. A blue arrow points from the right side of this box to the left side of the second box. The second box is white with a black border and contains the text 'evc_decode_mem'. Another blue arrow points from the right side of the second box to the left side of the third box. The third box is white with a black border and contains the text 'imgb_alloc'.

evc_decode_mem

imgb_alloc
