

vtm::Slice::scaleRefPicList

```
graph LR; A[vtm::Slice::scaleRefPicList] --> B[vtm::Slice::freeScaledRefPicList];
```

The diagram consists of two rectangular boxes connected by a blue arrow pointing from left to right. The left box is white with a black border and contains the text 'vtm::Slice::scaleRefPicList'. The right box is gray with a black border and contains the text 'vtm::Slice::freeScaledRefPicList' on two lines.
