

vtm::Slice::sortPicList

```
graph LR; A[vtm::Slice::sortPicList] --> B[vtm::Picture::getPOC]
```

A diagram showing a call from the function `vtm::Slice::sortPicList` to the function `vtm::Picture::getPOC`. The first function is in a grey box, and the second is in a white box. A blue arrow points from the first box to the second.

vtm::Picture::getPOC
