The diagram illustrates a function call and its return value. On the left, a grey rectangular box contains the text 'Ictm::CreateBaseVideoDecoder'. A straight blue arrow points from this box to a larger white rectangular box on the right. This right box contains the text 'Ictm::CreateBaseVideoDecoder' on the top line and 'CodecApi' on the bottom line. A curved blue arrow originates from the top of the right box and points back down to the top of the same box, indicating a return value or a self-referencing operation.
