

vtm::CS::isDualTree

```
graph LR; A[vtm::CS::isDualTree] --> B[vtm::Slice::isIntra]
```

A diagram showing a relationship between two variables. On the left, a gray rectangular box contains the text 'vtm::CS::isDualTree'. A blue arrow points from the right side of this box to the left side of a white rectangular box on the right. The white box contains the text 'vtm::Slice::isIntra'. Both boxes have a thin black border.

vtm::Slice::isIntra
