The diagram illustrates a dependency or mapping relationship. On the left, two white rectangular boxes with black borders contain the text 'vtm::CodingUnit::getSbtTu Split' and 'vtm::TrQuant::getTrTypes'. On the right, a gray rectangular box with a black border contains the text 'vtm::CodingUnit::getSbtPos'. Two blue arrows originate from the right side of the left boxes and point towards the left side of the gray box, indicating that both functions on the left are associated with or mapped to the function on the right.
