

vtm::UnitArea::chromaSize

```
graph LR; A[vtm::UnitArea::chromaSize] --> B[vtm::UnitArea::Cb]
```

A diagram showing a pointer relationship. On the left, a gray rectangular box contains the text 'vtm::UnitArea::chromaSize'. A blue arrow points from the right side of this box to the left side of a white rectangular box on the right. The white box contains the text 'vtm::UnitArea::Cb'.

vtm::UnitArea::Cb
